- Commissionable earnings from each referred customer shall persist for a period of two (2) years, commencing from the date of the customer's initial transaction utilizing the Partner's code.
- The application of the Partner's referral code is mandatory for the customer's first transaction to qualify for commission.

V. One-time sign-up bonus

- Effective **1 July 2026**, Partners are eligible to earn a one-time sign-up bonus of **\$3** for each new customer they successfully introduce to PlanetTalk.

- This bonus is earned once per referred customer and is not recurring. It is separate from, and in addition to, the ongoing commission earnings described in Section III.
- To qualify, the new customer must complete their first top-up transaction using the Partner's code. The bonus is not triggered by registration alone.
- Where a referred customer's local currency differs from USD, the equivalent bonus value of the USD amount shall be converted at the prevailing market exchange rate at the time of payout, consistent with the payment terms in Section VI.
- This bonus applies exclusively on new customers topping up, using the partner's code from 1 July 2026. Top-ups completed prior to this date are not eligible for the Bonus.
- The One-time Sign-up Bonus will be reflected in the Partner's Portal Dashboard and updated monthly, in accordance with Section VIII.
